Our back patio is pet friendly, so long as your pet is people friendly.

Food allergy warning: it is your responsibility to know what you're allergic to. We're happy to answer any questions to the best of our knowledge, but if you're not 100 percent sure, we suggest you side towards not visiting the hospital.

Reservations and incomplete parties - we don't take reservations and we don't seat incomplete parties during peak business periods. We will gladly add you to our waiting list until your party arrives though.

If you're done, paid up and we're not busy, then by all means socialize a bit longer; however, if we are slammed and on a wait and you're paid up please help us keep things moving.
